Re: Medicare Select Health Plan for 2018

Thank you for your recent inquiry into the Group Health Cooperative of South Central Wisconsin (GHC-SCW) Medicare Select health plan. GHC-SCW offers a comprehensive Medicare Select Plan that ensures convenient, accessible, quality care provided by GHC-SCW clinics and practitioners. The policy covers certain hospital, skilled nursing facility and home health care benefits, as well as the Medicare Part B deductible and co-insurance. Annual physical exams, eye and hearing exams, some immunizations, and routine office visits are additional benefits. A list of limitations and exclusions can be found in the 2018 Outline of Coverage included with this packet. If you had previous GHC-SCW individual or group coverage, this coverage is different.

We strongly recommend that you consider enrolling in a Medicare Part D plan for outpatient prescription drugs to include diabetic supplies and insulin as the GHC-SCW Medicare Select program does not include this type of coverage.

To qualify for this plan, you must:

- Be enrolled in both Parts A and B of Medicare.
