The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact ETF at www.etf.wi.gov or call 1-877-533-5020. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <a href="https://www.healthcare.gov/glossary/essential-health-benefits/">https://www.healthcare.gov/glossary/essential-health-benefits/</a> or call 1-877-533-5020 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$250 individual / \$500 family	You must pay all the costs up to the <u>deductible</u> amount before the policy begins to pay for covered services you use, with the exceptions of office visit <u>copays</u> and for federally required preventive services. The <u>deductible</u> starts over with each plan year beginning on January 1 <sup>st</sup> . See the chart starting on page 2 for your costs for services this plan covers.
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/.</u>
Are there other deductibles for specific services?	No.	There are no other <u>deductibles</u> .
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	Medical: \$1,250 individual/\$2,500 family <u>Prescription drug</u> : Level 1 and 2: \$600 individual/\$1,200 family Level 4: \$1,200 individual/\$2,400 family	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The federal <u>maximum out-of-pocket</u> is \$6,850 individual/\$13,700 family. This applies to all essential health benefits, including some services not included in the <u>out-of-pocket limit.</u> (i.e. certain level 3 & 4 prescription drugs and certain hearing aids covered under this plan). See <u>https://www.healthcare.gov/glossary/essential-health-benefits/</u> for details.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Copays</u> for Level 3 and Level 4 <u>non-preferred specialty drugs;</u> <u>coinsurance</u> paid by adults for hearing aids, premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.ghcscw.com</u> or call 1-800-605-4327for a list of network <u>providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

\* For more information about limitations and exceptions, see the plan or policy document at <u>www.etf.wi.gov</u>

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
