

Group Health Cooperative of South Central Wisconsin

2024 MEDICARE SELECT PLAN OUTLINE OF COVERAGE

The Wisconsin Insurance Commissioner has set standards for Medicare Select insurance. This policy meets these standards. It, along with Medicare, may not cover all your medical costs. You should review carefully all policy limitations. For an explanation of these standards and other important information, see “Wisconsin Guide to Health Insurance for People with Medicare,” given to you when you applied for this policy. Do not buy this policy if you did not get this guide.

Premium information: Group Health Cooperative of South Central Wisconsin (GHC-SCW) can only raise your premium if it raises the premium for all policies like yours in this state. Your premium will also change on the next January 1 following your birthday if it places you in a new age category.

Disclosures: Use this outline to compare benefits and premiums among policies.

Read your policy very carefully. This is only an outline describing your policy’s most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to return policy: If you find that you are not satisfied with your policy, you may return it to GHC-SCW Administration, ATT: Medicare Plans, P.O. Box 44971, Madison, WI 53744-4971. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments directly to you.

Policy replacement: If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice: This policy may not fully cover all of your medical costs.

This policy supplements Medicare. It covers some hospital, skilled nursing facility, medical, surgical, and other outpatient services that are partially covered by Medicare.

This policy does not provide benefits for custodial care such as help in walking, getting in and out of bed, eating, dressing, bathing and taking medicine.

Neither Group Health Cooperative of South Central Wisconsin (GHC-SCW) nor its agents are connected with Medicare.
