Welcome!

Thank you for choosing Group Health Cooperative of South Central Wisconsin (GHC-SCW)! We pride ourselves on meeting your health care and health insurance needs. This Provider Directory is accurate at the time of printing.

For complete details about what is covered under your GHC-SCW Plan, please refer to your Member Benefits Summary, Member Certificate and Plan Amendments, contact your employer or call Member Services.

Tips for choosing a Primary Care Provider (PCP)

It’s important to choose a PCP who meets your needs and can be a source of trust.

Here are some tips:

- Think about your health goals.
- Think about your preferences for: your PCP’s gender, location and their medical interests.
- Learn more about your PCP options in this Provider Directory and online at ghcscw.com when you select the “Search for a Clinic or Provider” button.

You may change your PCP and primary clinic location within your network at any time.

Areas of Practice

PCPs generally focus on different medical areas of practice for different life stages:

- **Family Medicine** focuses on health care for the entire family, with an emphasis on care for all ages.
- **Family Medicine with Obstetrics** focuses on health care for the entire family, with an emphasis on delivering babies.
- **Internal Medicine** focuses on adult medicine and complex health care. Older adults may prefer Internal Medicine because of its focus on the interrelated systems of the body and how they are affected by illness.
- **Pediatrics** focuses on childhood medicine and health care (including preventive care). A Pediatric PCP may be ideal for children ages 19 or younger.

Ancillary Clinic Providers

Specialty care provided by ancillary clinic providers: Members can schedule a consultation with the following ancillary clinic providers without a referral. However, some services may require prior authorization, such as: certain Durable Medical Equipment (DME), physical therapy/occupational therapy visits, manipulations or procedures. Please call (800) 605-4327, ask for Member Services, then verify if prior authorization is needed before scheduling an appointment for care.

If your service requires prior authorization, your provider will submit a prior authorization request to the GHC-SCW care management team. Most decisions occur within four to five business days. Up to 15 days are allowed for review by the GHC-SCW care management team and/or the GHC-SCW Chief Medical Officer.

Call the clinic to see if your provider is in network.
